Dear friends and colleagues,

You are cordially **invited** to the **First regional forum for aspiring neurosurgeons (April 12-14, Umag, Croatia)**, which is primarily intended for networking and sharing of knowledge among residents and young consultants of neurosurgery in the region.

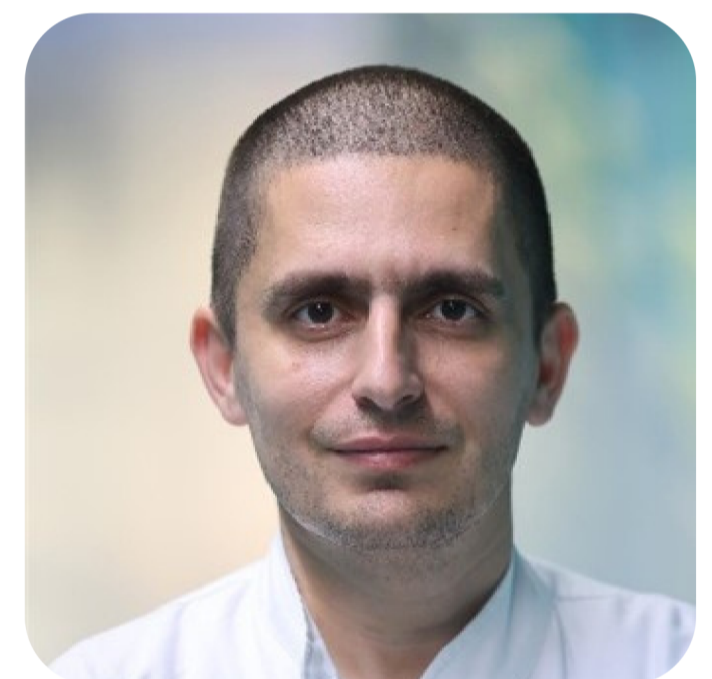

We are looking forward to welcoming you in **Umag** this spring and do not hesitate to submit your abstracts and presentations. The registration process is now open and the following topic would be addressed:

- **Functional neurosurgery**
- **Oncologic neurosurgery**
- **Traumatic brain injury**
- **Spinal (degenerative) surgery**
- **Skull base and vascular neurosurgery**
- **Pediatric neurosurgery**
- **Etc.**

The registration fee was set on a really friendly basis (**50 EUR for residents** and **100 EUR for consultants**, all-inclusive for a two-day event), so we would be glad if you could join us on a beautiful Istrian peninsula for a regional spring meeting.
